

Attachment 1: EfficientNetB0 (scratch) training and validation performance

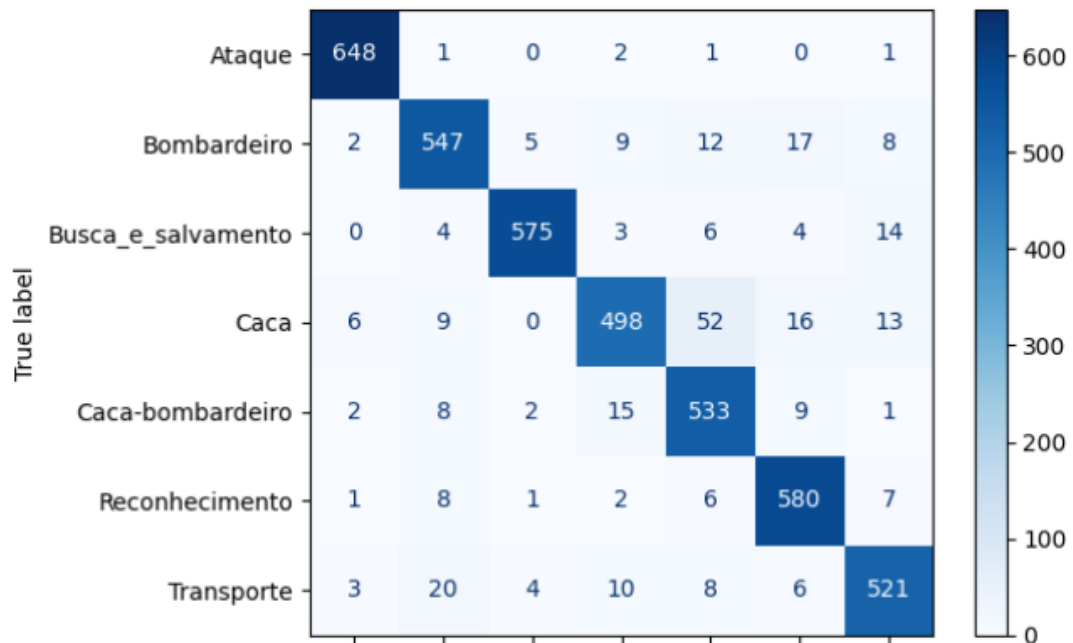

Attachment 2: EfficientNetB0 (scratch) confusion matrix

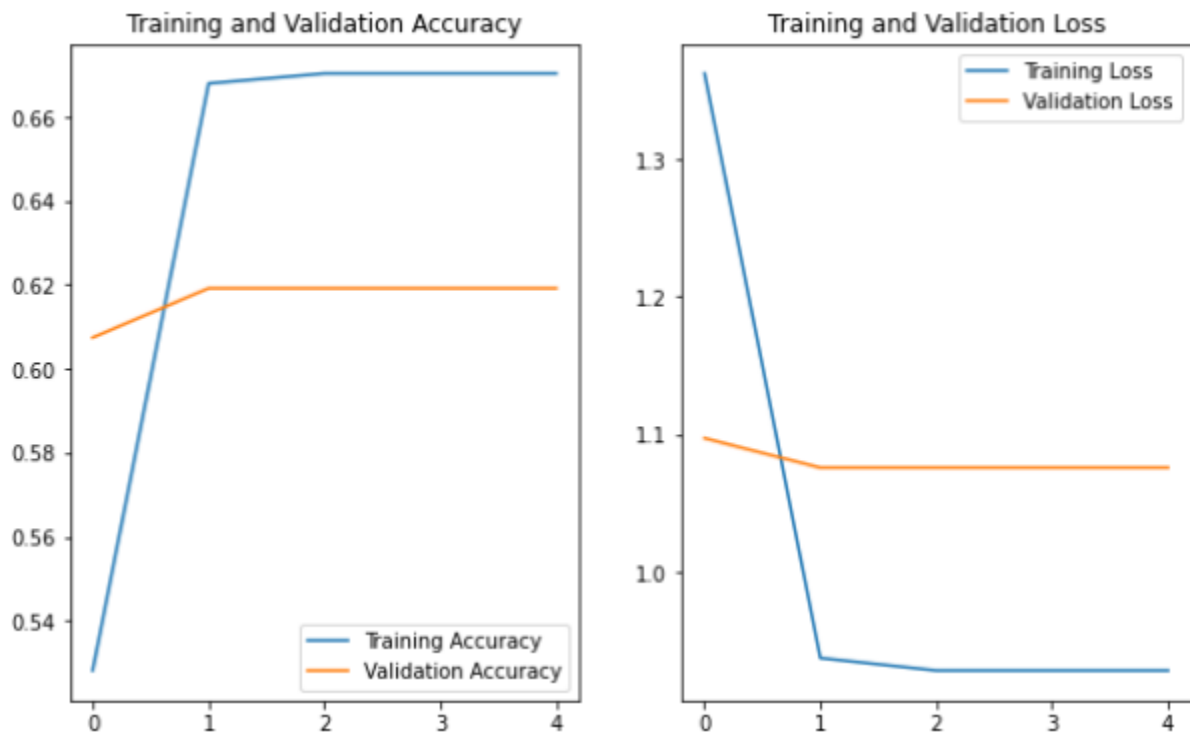

Attachment 3: MobileNet (scratch) training and validation performance

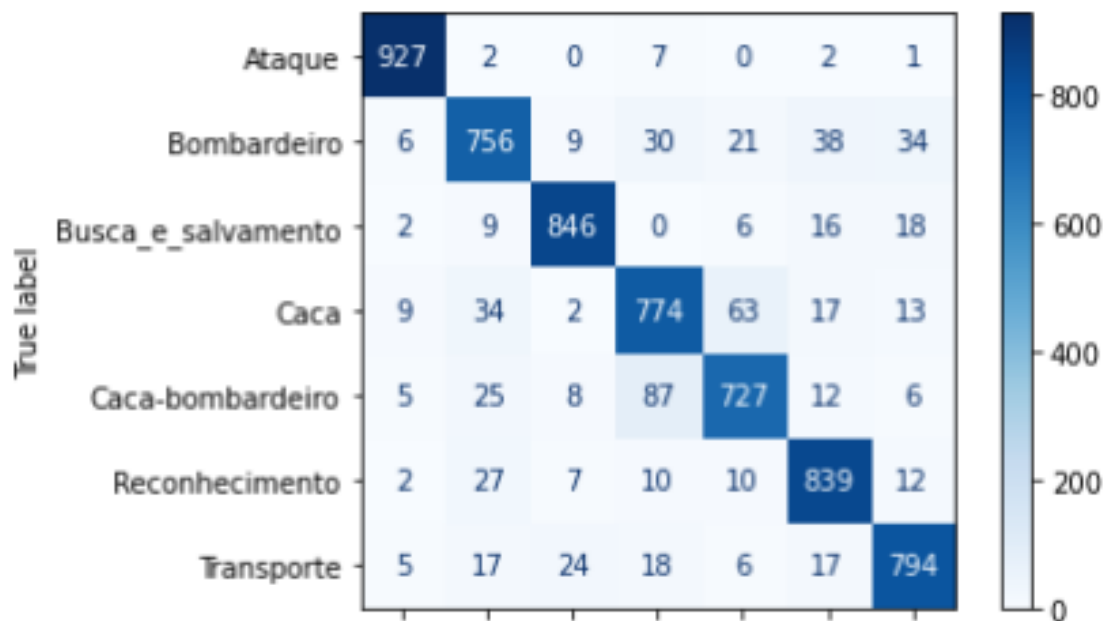

Attachment 4: MobileNet (scratch) confusion matrix

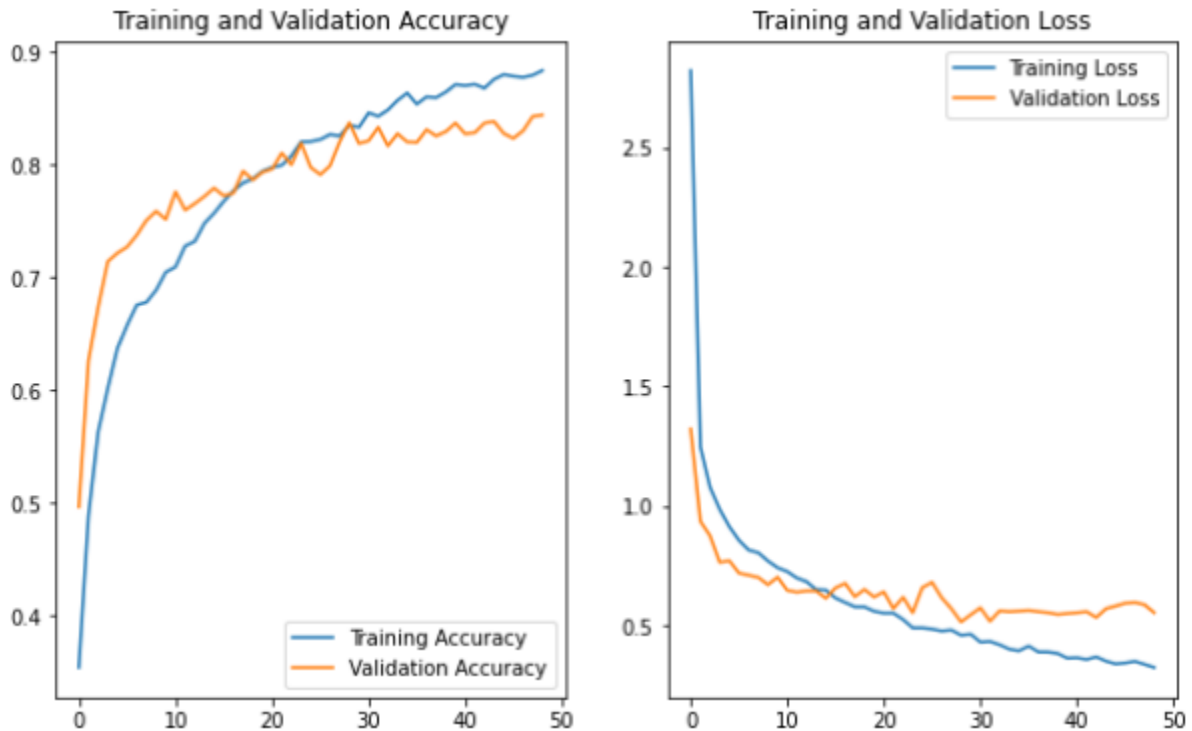

Attachment 5: ResNet50 (Transfer Leaning) training and validation performance

Attachment 6: ResNet50 (Transfer Leaning) confusion matrix

Attachment 7: MobileNet (Transfer Leaning) training and validation performance

Attachment 8: MobileNet (Transfer Leaning) confusion matrix
